No. 184—

REGULATIONS AND CONDITIONS RELATING TO THE ISSUE OF GRASSING PERMITS.

I. Grazing shall be allowed in reserved forests only on permits issued by the Forest department. Each forest range individually constitutes a grazing unit, within which grazing is allowed on a single permit, which document, however, covers grazing in areas which are specially cleared. Permits held good only for reserves under the control of the Forest department and not for reserves under proprietary management.

II. Certain areas are liable to be closed beginning either permanently, or temporarily. Closure is applied in areas under regeneration, to hilly areas and to those in which grazing is harmful. Forests may be closed to grazing in case of fire. Particular areas may be reserved for fuel, pasture or breeding cattle, to the exclusion of others.

III. Except in the case of rights or privileges holders permits shall be issued on payment of such fees as may be prescribed by Government free from duty. No permit shall be issued for goats. Cattle grazing as of right or as a privilege without payment, must be covered by permits for which no charge will be made. No permit shall entitle a person to graze cattle in areas closed to grazing, or in those generally reserved. For other descriptions of cattle Forest Holders will not be entitled to any compensation in the event of closure, or closing of fire, or for any other reason. The grazing fees prescribed from time to time, are liable to be enhanced in case of fire or if grazes or non-closure Forest offices have been exceeded within a certain time.

A calf still drawing milk from its mother, i.e., up to about six months old, and accompanying its mother but not drives independently will be allowed to graze free. Calves released free at the beginning of the year as being under six months old may be allowed to graze free for the whole of the first half of the year, but should pay a half rate for the second half year; while calves entering the second half of the year free as being under six months may be permitted to graze free for the whole of the second half. The grazier's own estimate of the age of the calf may be accepted in all but obviously mischievous cases.

No. 227.—In exercise of the powers conferred by clauses (a) and (b) of section 14 of section 3 of the Madras Government Roads Traffic Control Act, 1887 (Madras Act V of 1887), the Governor acting with Ministers is hereby pleased to make the following rules for the use of, and regulation of traffic on the Tellicherry-Coorg and the Calicut-Chandrapur-Bidar roads:—

RULES.

I. These rules shall apply to the Tellicherry-Coorg and the Calicut-Chandrapur-Bidar traffic roads.

II. In these rules unless there is anything repugnant to the subject or context—

"Cart" means a wheeled vehicle without springs or other appliances acting as springs; and

"Motor-bus" means a motor vehicle which is fitted for hire and has seating accommodation for eight or more passengers including the driver.

III. (1) The Executive Engineer of the Public Works Department, West Coast division, or any officer of the Public Works Department not below the rank of Sub-Engineer authorized by him is willing in that behalf to do so, may at any time, or at any particular place or locality, or at any road route or part thereof for purposes of repair or because it is in a dangerous condition, or for the purpose of regulating traffic thereon, or for any other purpose.

(2) No person shall during the period covered by the notice mentioned in subrule (1) or any part thereof which has been closed under that sub-rule contrary to the terms of such notice.

IV. No person shall on any part of the said roads—

(a) drive any load of timber measuring over two yards in all or a vehicle fitted with tyres of less than 4 inches in width; or

(b) carry any load more than 20 feet in length; or

(c) load any timber on any vehicle on the highway or the road between the said stations, or

(d) drive, drag or push any vehicle at any time between half an hour after sunset and half an hour before sunrise without a sufficient light; or

(e) drive, drag or push any vehicle on which the loads projects far from the axles either on either side beyond the outside edge of the tyres of the wheel on which it weighs; or

(f) drive, drag or push without the written approval of the Executive Engineer, West Coast division, any vehicle of over 3½ tons.

(g) drive, drag or push any cart that has not been registered under rule V or does not bear the number given to it.

V. Every cart shall be registered and given a number by the Executive Engineer, West Coast division, or any person authorized by him in this behalf on the payment of a sum of four annas at Tanjavur, Lakshmi or Bellary.

VI. No person being in charge of any vehicle or carts shall leave it or them in any part of the said roads at such a distance as not to have the signs under his control.

VII. The Executive Engineer, West Coast division, or any person authorized by him in writing in this behalf may—

(a) stop any vehicle which is infringing any provision in these rules and demand the name and address of the person in charge and who has them in possession, if necessary;

(b) prevent any vehicle infringing clause (a), (b), (c) or (d) of rule IV from proceeding further until the provisions of the said clauses are complied with; or

(c) direct any cart laden with timber to be taken to the nearest office established, under rule V for purpose of ascertaining whether clause (a), (b), (c) or (d) of rule IV has been infringed.

VIII. No person shall drive a motor bus plying for hire or a lorry on any part of the said roads at a speed exceeding sixteen miles per hour, and in the great portion of the Calicut-Chandrapur-Bidar roads and between the 25th mile stone and the 50th mile stone at a speed exceeding six miles per hour.

IX. Whoever commits a breach of any of the above rules III, IV, V, VI, VII and VIII shall be punishable—

(a) with a fine which may extend to fifty rupees and in the case of continuing breaches with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Executive Engineer, West Coast division, to desist from such breach.

X. No person except for a breach of these rules shall be liable without the written permission of the Executive Engineer, West Coast division, or a person authorized by him in writing in this behalf.

OFFICIAL ADVERTISEMENTS.

SALT OF SHELL PIT AREAS IN THE GULURPET TALUK, NEELGURU DISTRICT.

Notice is hereby given that the exclusive right of extracting shells in the waste lands of the

undesignated places will be sold in auction by the Sub-Collector, Godar, at Surat, on the 15th June 1931.

The sale will be subject to the confirmation by the Collector of Nalna.

2. The lease will begin on the 1st July 1931 and will run for a period of two years.

3. Any person desiring to bid must deposit Rs. 500 before sale with the Deputy Tahsildar, Sabark. Deposit will be received by the Deputy Tahsildar, Sabark, at any time during office hours within three days previous to the date of sale.

4. No person will be allowed to bid for another unless he holds a properly issued power of attorney which should in every case be brought to the notice of the selling officer before sale.

5. The selling officer may for valid reasons refuse to accept any bid and in cases of dispute his decision shall be final. If for any reason the highest bid is rejected, the selling officer may at his discretion either accept the next highest bid or begin the auction again.

6. The final acceptance of the bids shall rest with the Collector of Nalna who reserves to himself the right to accept or reject any bid at his discretion.

7. The deposits made by unsuccessful bidders will be returned to them after the sale is over.

8. As the auction proceeds each unsuccessful bidder shall sit cross if so required by the selling officer or at the close of the day's sale, make such further deposit as the selling officer may require. Should he fail to do so the deposit made by him under condition 3 supra will be forfeited and the same shall go to the first bidder failing whom the deposit made by the Collector may determine and the deposit may be retained from bidding again at any subsequent sale of shell pali by the Collector.

9. On the acceptance of the bid the unsuccessful bidder will be required within one week to enter into an agreement for the due performance of the contract and pay one-tenth of the auction amount to Sub-Collector, Godar, or any other officer nominated by him. Should the bidder fail to do so the deposit made by him under conditions 3 and 8 supra will be forfeited and the shell pali will be sold or otherwise disposed of as the Collector may determine. Besides those effected will be at the risk of the defaulting bidder who will forfeit all gains and in the event of loss will be required to make good the deficiency between the amounts payable under the terms of the original sale and that payable by the successful bidder at the result.

10. An agreement in Form A-110 of the Salt Board should be executed by the unsuccessful bidder within a fortnight from the date of the receipt of the order accepting the bid. A copy of the form can be seen at the office of the Deputy Tahsildar, Sabark. In default of this the total amount deposited by the bidder will be forfeited to Government.

11. All the conditions of the agreement will be strictly enforced. Any person entering any dispute concerning the conditions may apply to the Deputy Tahsildar, Sabark, and have them explained either before or at the time of sale. No

notice will be taken of any subsequent representations.

12. Any further details may be obtained from the office of the Sub-Collector, Godar.

Tenders on schedule contract for the above work will be received in the office of the Executive Engineer, Coimbatore Waterworks Division, Coimbatore, up to 12 noon on the 2nd June 1931.

Persons who desire to tender for the work will, on application to the address of the manager, be supplied with further conditions of tender notice and schedule of quantities.

E. E. MARIEETTE,
Executive Engineer, Waterworks Division,
Coimbatore, 16th May 1931.

TENDER FOR CONSTRUCTING MASONRY PIER TO SUPPORT THE REINFORCED CONCRETE SERVICE RESERVOIR FOR THE RAJARAJEWSWARI WATER WORKS

Shall tenders shall be received by the Executive Engineer, Godavari Eastern Division, Dondapetwar, East Godavari district, at his office up to 8 p.m. on 15th June 1951 for "Constructing masonry pier for the Reinforced Concrete Service Reservoir for the Rajarajeswari Water works" at Rajarajeswari.

2. Tenders should be addressed to the Executive Engineer, Godavari Eastern Division, Dondapetwar, and should be superscribed "Tender for constructing masonry pier for the Service Reservoir at Rajarajeswari". The tender should be submitted along with a covering letter in the prescribed form P.W.D. V. 23, which can be had free of cost from the office of the Executive Engineer, Godavari Eastern Division. A set of plans and specifications for the work will be obtainable in Godavari Eastern Division office at Dondapetwar for estimates. The name of the tenderer should be superscribed on the sealed cover.

3. Each tender should be accompanied by an amount equivalent of Rs. 300 which should be paid directly into the Government treasury at Rajarajeswari or any branch of the Imperial Bank of India to the credit of the Executive Engineer, Godavari Eastern Division, Dondapetwar, under the head "Revenue Deposits—Receipts in account of Public Works Department" and the bank or treasury receipt together with the amount obtained from the Manager of the Godavari Eastern Division office on payment of the cost of the plans and specifications should be enclosed along with the tender.

4. In the case of parties whose tenders are not accepted, the same money will be released without interest by means of cheques drawn on the Imperial Bank at Rajarajeswari. The parties should make their own arrangements to have cheques cashed.

5. The Executive Engineer will reserve to himself the right of rejecting all or any of tenders without assigning any reasons for so doing.

6. No alterations which are made by the tenderer in the contract documents will be accepted and if corrections are made the tender will be liable to rejection.

7. The tenderer should quote his rates not only in figures but also in words. Any corrections made thereto should be struck and the number of corrections if any on each page noted at the foot of the note by the tenderer.

8. No reference should be made to the Public Works Department current schedule of rates or to the rates provided for in the sanctioned estimate. These documents are confidential and will not be available to the public.

9. As soon as the acceptance of the tender is notified, the successful tenderer will be required to deposit a further sum of Rs. 300 which will be held as security for the due fulfilment of the contract.

10. The successful tenderer will also be required to sign an agreement in the proper departmental legal form contract form for the due fulfilment of the contract.

11. Failure to comply with conditions 8 and 10 above within fifteen days from the date of receipt of intimation of acceptance of the tender will entail forfeiture of the earnest money.

12. The contract agent not be valid.

13. Other conditions of contract and the contract documents can be seen at any time between 11 a.m. and 5 p.m. on office days in the office of the Executive Engineer, Godavari Eastern Division, from which blank forms of tenders can be obtained free of cost.

14. In the event of the tender being rebated by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of attorney authorizing him to do so.

15. When once the rates tendered have been accepted they will not be varied under any circumstances.

16. The work should be completed and handed over to the Public Works Department by the contractor by 30th September 1951 failing which a penalty of Rs. 50 per day will be levied and will be recovered from the contractor's outstanding till the work is completed and handed over to the Public Works Department. The security deposited by the contractor will also be forfeited if he fails to complete the work by the time fixed.

17. Any tender not received in order, and in accordance to the instructions given above and in due time will not be considered.

18. The tenderer should make out a schedule of quantities for himself with the corresponding rates and costs quoted for each kind of work to be done and should quote a lump sum for which he will undertake to complete the whole work including setting out, waste charges, hire for labour and workmen, hiring of lighting, cost of stores and sheds for materials, temporary latrines for the work people, cleaning site, hire of tools and plant, organization and wages work foreman. This schedule should accompany the lump sum tender, otherwise his tender is liable to rejection.

19. No detail measurements will be taken in making payments for the work done. Authorised dimensions will be measured and adjusted at the rates quoted in the tenderer's schedule. Payments will be made in instalments at suitable stages in the progress of the work.

20. If at any time necessary to the amount of this contract, the Government requires other than those specified in the contract agreement as to be supplied to the contractor, for use on the work, they will be charged at the market rate prevailing at the time of supply or stock issue rate whichever is greater. No carriage or incidental charges will be borne by Government in connection with the supply. The contractor will be informed in writing of the changes and he should furnish in writing the rate which he demands for finished work in view of the fact that he is to use Government materials.

21. The amount to be used for the work should be for finished work as per standard specifications of the Public Works Department, Dondapetwar Circle, inclusive of supply carriage

to work site, storage and other incidental charges of all materials.

Note.—The contractor should, as his own cost—

(a) provide access, means, traps and labour required to remove the earth, stones, &c.,

(b) provide all necessary scaffolding, cranes, hoists and apparatus for hoisting,

(c) provide labour traps and shovels to keep materials under control in working,

(d) arrange for protecting work during inclement weather;

(e) supply all requisite water and lighting;

(f) supply all wants required for workmen and workers;

(g) clean away all dirt, rubble, apparatus materials and debris as they accumulate;

(h) do all necessary pumping and lifting whatever necessary with his own apparatus including necessary hoisting machinery, pipes, etc., for hoisting;

Do labour the whole of the work and provide in a safe and orderly condition;

If I should decide to pay other parties employed upon the construction of the work may proceed during the progress of the contract at my risk, present claim of ordinary scaffolding and labour.

22. If for reference any tenders require the schedule of approximate quantities of work to be done it will be furnished to him without any extra costs quoted on the same. The quantities given thereon are merely approximations and the Public Works Department will not be held responsible for any variations and additional charges thereto.

SPECIFICATIONS TO ACCOMPANY THE TENDER NOTICE FOR CONSTRUCTING MASONRY PIERS TO SUPPORT THE REINFORCED CONCRETE SEWER DRAILWAY FOR THE EASTMINSTER WATER WORKS.

1. Site.—The site chosen is the high ground just behind the Municipal Hospital at Eastminster as shown in plan No. 225/28.

2. Details of work.—At this site cement masonry piers 6' 0" x 2' wide and 1' 6" wide are to be constructed parallel to each other at 12' intervals (centre to centre).

3. The ground here should be levelled to plan 122/50 and the foundations of the piers are to be 6' below the same or as plan 104/40. The section of the piers will be as shown in plan G.E. No. 12 of 1871.

4. The bottom 3' of the foundation, i.e., up to level plan 107/50 will be of concrete broken stone in such manner 8' x 9' wide.

5. On this layer of concrete the piers—which will be of platform moulded brick in cement will be constructed 2' 6" wide in the first footing, i.e., from level plan 107/50 to plan 110/50 and 1' 10" wide in the next footing (plan 110/50 to plan 112/50).

6. The superstructure above this level (also of brick in cement) will be 1' 6" wide and 6' high up to level plan 119/50.

7. Necessary opening for fixing the pipe connection to be left in the central or other part of the pier to be fixed by the Executive Engineer or the Officer in charge and as directed by him.

8. On the top of these piers bearing stones of local large stones in cement mortar 1: 1: 2 thick and 1' 6" wide will have to be provided for the full length of the pier.

9. The piers will be pointed all round from the top down to one foot below the ground level with mortar 1 to cement to 3 sand.

10. General.—The earth got from the excavation for levelling and foundations to be used as far as necessary for filling in foundations and building

the site properly and neatly and the remaining earth, if any, to be removed and deposited in the low grounds in the vicinity as directed by the officer in charge and the whole site to be left clean and tidy on completion.

11. The materials to be used and the various kinds of work to be done shall be strictly in accordance with the detailed specifications attached hereto.

Work to be done as per plan No. G.E. 12/30.

Mr. K. M. A. Shukla Sahib.
Mr. D. M. Reid.
Mr. G. A. Bambridge.
Mr. V. Bailey.
Mr. A. Robertson.
Mr. J. M. Smith.

78. Read, approved and recorded the minutes of the proceedings of the previous meeting held on Friday, the 14th April 1931, as amended at this meeting.

79. Read a note by the Acting Chairman proposing, for reasons given, an amendment of subsection (6) (i) of clause 12 of Part I of the Trust's Scale of Rates.

Resolved that sub-clause (6) (i) of clause 12 of the Scale of Rates be amended as proposed by the Acting Chairman and that the draft amendment clause be submitted to Government for sanction and for publication in the Port St. George Gazette, if sanctioned, as required by section 44 (1) of the Madras Port Trust Act.

80. Read letter, dated the 16th April 1931 from Messrs D. V. Paul and Brothers and the other merchants addressed to the Board and endorsement from Government No. 12229 Mar. 1-26, dated the 16th April 1931, forwarding for remarks copy of the sub-instante letter to Government, dated the 13th April 1931, respecting the various dues on tobacco packed in bags, imported at the Port, be charged by weight instead of measurement as at present laid down in the Trust's Scale of Rates. Read also thereto by the Acting Chairman concerning the approval of the Board drafts of replies to Government and to the merchants stating that the Board sees no necessity and does not propose to make any change in the present basis of assessment of the Trust's Harbour dues on this class of cargo.

Resolved that the draft replies submitted by the Acting Chairman be approved.

81. Read and approved draft of a letter to Government submitted by the Acting Chairman reporting for sanction certain expenditure incurred during the year 1930-31 without appropriation and in excess of the sanctioned grant for that year under certain heads of the Trust's Capital and Revenue Accounts.

82. Read notes by the Acting Chairman and Chief Engineer recommending that items (1) to (3) of the following enclose tools in the Workshops which have become worn out be disposed of by auction and that item (4) be scrapped.—

- (1) One Sower Cutting Lotion No. 7;
- (2) One Drilling Machine No. 13;
- (3) One Electric Sealing Machine;
- (4) Two Kerosene Drills.

and authorizing for sanction an estimate amounting to Rs. 4,900 for replacing item (1), (2) and (4) by similar machines and for replacing item (3) by an electric grinder.

Resolved that the disposal of the machine tools above referred to and their replacement as proposed be approved and that the expenditure be debited to the Renewals and Replacement Fund.

83. Read a note by the Chief Engineer submitting for sanction an estimate amounting to Rs. 4,000 for repairing the roof of the premises leased to the Madras Port Staff Club and recommending that the expenditure be debited to the Renewals and Replacement Fund.

Resolved that the estimate be approved debitable to the Renewals and Replacement Fund.

84. Read a note by the Chief Engineer submitting for sanction an estimate amounting to Rs. 4,600 for dismantling and removing seven pillars in the eastern wall of premises No. II and recommending that the expenditure be debited to the Renewals and Replacement Fund.

Resolved that the estimate be approved debitable to the Renewals and Replacement Fund.

85. Read a note by the Acting Chairman submitting the correspondence that had taken place between himself and the Agents of the South India Railway Co. Ltd., and of the Madras & Southern Mahratta Railway Co. Ltd., on the subject of the exchange between the South India Railway Co. Ltd., and the Trust respectively of 0.6651 and 0.6653 acre of land on the eastern side of the south western end of the Beach Station, the exchange being necessitated by the fact that the South Indian Railway compound well thereabouts so finally constructed has had the effect of encroaching on the Harbour Station Road which belongs to and is maintained by the Trust to the extent of 0.6651 acre and owing to that road an area of 0.6674 acre. The Acting Chairman states that the South Indian Railway Co. Ltd., are agreeable to the exchange of the lands proposed subject to the payment by the Trust of the market value of the difference in extent of the two plots.

Resolved that the Agent, South India Railway Co. Ltd., be informed that the Trust is agreeable to pay the Railway the market value of the difference in extent of the two plots and that he be requested to arrange through the Local Government for the relinquishment to the Trust of the Railway land and the acquisition by the Railway of Port Trust land.

86. Read letter No. A 1-4453-36, dated the 2nd April and the 2nd May 1931 requesting whether the Trust is agreeable to the conditions under which Government propose to alienate in favour of the Trust that portion of the land on the South Avenue lying between Kelly's drain and the land on which the Trust has already been permitted to enter in G.O. No. 2620, Revenue, dated the 13th May 1929, comprising a width of 10 feet along the northern side of Kelly's drain, which the Collector states is required by the Corporation for giving the Corporation access to the drain for cleaning it or effecting repairs to it. Read also note thereto by the Acting Chairman.

Resolved that Government be asked to alienate to the Trust not only the land now proposed for alienation to it but also the 10 feet strip to the South of that land which is intended to alienate to the Corporation and to make the alienation of the entire land as far as Kelly's drain, as now asked for by the Trust, subject to the conditions communicated with the Collector's letter and to the further condition that the Trust should give the Corporation access to Kelly's drain for cleaning it or effecting repairs to it.

Resolved also that a copy of the letter to Government in this connection be forwarded to the Collector of Madras in reply to his letters above referred to.

51. Read a note by the Chief Engineer stating that the siding laid by the Trust at its cost in the year 1911 on the South Indian Railway Company's land at the Beach Station for exchange of traffic between the Trust and the Railway pending the Railway Company laying their own siding for that purpose when they undertook the remodelling of their Beach Station Yard, was replaced by the Railway Company with their own materials about April 1918 and that the materials used by the Trust for the siding had all been returned by the Railway to the Trust and recommending that it be resolved that the maintenance of a Yacht of the exchange siding on the Railway Company's land ceased as from the 1st of April 1920 and that a copy of the Resolution be sent to the South Indian Railway Company, Limited. The Chief Engineer further states that certain permanent way materials to the value of Rs. 518-1-10 including 30 per cent establishment charges were leased to the Railway during the latter half of the year 1920 for repairing the exchange siding owing to certain difficulties as the siding which occurred in September and October 1920 and requests sanction to the sale of the materials to the Railway Company for the amount stated.

Resolved that the Agent, South Indian Railway Company, Limited, be advised that the maintenance by the Trust of the exchange siding on the Company's land ceased as from the 1st of April 1920. Resolved also that the sale to the Company of the permanent way materials referred to in the Chief Engineer's note for a sum of Rs. 518-1-10 be approved.

52. Read a note by the Chief Engineer submitting the tenders received for the supply of about 21 tons of fabricated steel work such as columns, beams and trusses required for the extension of the Machine Shop, which forms part of the Workshops Improvement Scheme sanctioned in Resolution No. 476, dated the 1st November 1920, and recommending for acceptance the tender given by Messrs. Messagé (1920), Limited, Madras, in their letter, dated for 18th April 1921, the total value of the tender amounting approximately to Rs. 4,412.

Resolved that the tender of Messrs. Messagé (1920), Limited, be accepted.

53. Read a note by the Chief Engineer submitting the quotations received by him from firms in India and the quotations obtained and called by Mr. Read, Palmer & Taiton, the Trust's Purchasing Agents in England, for the supply of 125 tons of bolted-plate rods of 28 lbs. section with the necessary fixings, required for use on maintenance and capital works during the year 1921-22, and recommending, for reasons given that Messrs. Read, Palmer & Taiton be requested to arrange for the supply of the rods with the necessary fixings—the total value of the contract amounting approximately to Rs. 22,500.

Resolved to approve of the recommendation.

54. The Acting Chairman read a note on the subject of the tenders received for the supply of a 5-ton hand-operated overhead travelling crane required for the replacement of the existing 2-ton travelling crane in the Timber Yard, which was sponsored in Resolution No. 122, dated the 12th March 1921, and recommended for acceptance the tender amounting to Rs. 3,200 given by Messrs. W. H. Brady & Co., Ltd., Madras, in their letter, dated the 15th April 1921, for the supply

of the type of crane required, manufactured by Morris, Herbert Morris, Limited.

Resolved that Messrs. W. H. Brady & Company's tender be accepted.

55. Read a note by the Chief Engineer reporting the result of a recent visit on the 11th September 1920 of the articles of tools and plant in charge of the Engineering Department, and requesting that the deficiencies found be written off.

Resolved to write off the deficiencies.

56. Read a note by the Deputy Port Commissioner, supported by the Acting Chairman, stating that Mr. L. J. Whitlock, Assistant Harbour Master on probation, completed his probationary period on the 2nd May 1921, and recommending that he be confirmed in his appointment.

Resolved that Mr. L. J. Whitlock be confirmed in his appointment with effect from the 2nd May 1921.

57. Resolved that M.R. Ry. V. Deyvendra Karpatti Araval, I.A.S., Assistant Engineer, availed himself with effect from the 1st noon of the 17th April 1921, of the leave on average pay for a period of 15 months granted to him in Resolution No. 526, dated the 25th March 1921.

58. Resolved that Mr. G. H. Verheyen, General Foreman, availed himself with effect from the 1st noon of the 4th May 1921 of the leave on average pay for a period of two months granted to him in Resolution No. 526, dated the 25th April 1921.

59. Read a note by the Acting Chairman, recommending the grant to Mr. G. N. Thaparai, lately a checker in the Trust's Trade Department, who was released from the Trust's service with effect from 12th April 1921, owing to certified physical unfitness for further service, of gratuity amounting to Rs. 107-8-0 being at the rate of half a month's pay for each of the seven completed years of his service.

Resolved to sanction the grant of the gratuity recommended.

60. Resolved to sanction the payment of a bill amounting to Rs. 60 acknowledged by Messrs. Massey & Thomas, Solicitors, for legal advice given by them in connection with the claim made on the Trust by certain importers for damage caused to their cases of gunpowder stored in the Trust's magazines by the flooding of the magazine on the 26th—27th November 1920.

61. Resolved, subject to sanction of Government, which is necessary under section 44 (3) of the Madras Port Trust Act, to approve of the Trust's Acting Traffic Manager's recommendations for revision of dues in eight cases amounting to Rs. 55-3-6.
